Digital documentation
with the exclusive
HEINE DERM app or
the HEINE Cube
System*

· **Crystal clear image**, no matter if you prefer a closer or
greater working distance

· **Polarisation** eliminates reflections and glare

· **Brightness control**: 3 levels of light intensity

· **Easily cleaned with spray disinfectant**

· **10x magnification**

· **No cross-contamination**: autoclavable contact plate
with scale

· **Dioptre compensation**

· **Switch between polarised and non-polarised illumination
mode at the touch of a button** = toggle function. For more
information, please visit heine.com/en/Toggle

· **Rechargeable battery with Li-ion technology**:
no memory effect; safely recharge the battery regardless
of its state of charge

· **Small contact plate** for difficult-to-access pigmented lesions

· **Charger 30 table charging station**

· **3 possibilities of digital documentation**:

- With the exclusive HEINE DERM App: Bodymap,
patient folder, e-mail function and much more

- Wireless with the HEINE Cube System for up to 10 doctors
and HEINE dermatoscopes

- Conventional digital images with many popular smartphones

· **Accessories and further articles under heine.com/en/DELTA30**
