About Us

Akad Medizintechnik GmbH, importers and exporters of medical equipments and devices and distributor.

We are serving our customers with our 36 years of experience.

We and our employees will continue to serve our customers with passion so that we can ceaselessly advance our company and carry our targets to the utmost level.

We attach as much importance to providing quality & value - added services to our customers.

Akad Medizintechnik GmbH is the name of quality and reliability.

AKAD Basic model sterilization containers similar the standard model but there is no colorful lid option.

The handles of this model are not silicone coated. AKAD Basic model sterilization container systems can be used with single use paper filter or reusable PTFE Teflon filters.

Please contact us for different sizes and specifications of containers.
